

Lake Lucerne Lifestyle Dentistry

Gustavo De Oliveira, DMD

SPECIALTY: We specialize in cosmetic dentistry using implants, crowns and bridges to restore function, and veneers, whiteners, gum contouring and aligners to improve aesthetics. Our dentists' skills vary across disciplines yet complement each other, allowing patients the benefit of best-of-breed dentistry, in one single location. **EDUCATION AND CERTIFICATION:** Rio De Janeiro State University (DDS), Nova Southeastern University (DMD), New York University (Full Mouth Rehabilitation Program), Newark Beth Israel Medical Center (General Practice Residency), Dental Sleep Medicine Coursework at The Pankey Institute. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** American Dental Association, Florida Dental Association, Dental Society of Greater Orlando, American Academy of Implant Dentistry, Academy of General Dentistry, The Pankey Institute, American Academy of Cosmetic Orthodontics, among others. **GREATEST ACHIEVEMENT:** Leveraging our expertise in cosmetic dentistry to become highly reputable experts in full mouth reconstruction. **INNOVATIONS:** We have incorporated the highest technology available in digital X-rays, high-resolution intra-oral cameras, laser equipment, CAD/CAM, and iCAT CT Scan equipment. Newly

expanded in-house lab capabilities allow us to design and develop prosthetics in a shorter time frame, more affordably. A digitized dental workflow allows for process efficiencies that translate into even greater comfort and convenience for our patients. **WHAT SETS THEM APART:** We continue to differentiate ourselves, combining smile design expertise, advanced implant dentistry and cutting-edge technology to enable utmost cost efficiencies in full mouth reconstructions. **YOU SHOULD KNOW:** We have moved beyond cosmetic procedures designed to beautify imperfect teeth to protocols that create perfect smiles for patients with little-to-no teeth. Now with a deeper concentration in implantology, we can combine our advanced technology and dental artistry to deliver beautiful prosthetics within a single day post-surgery.
